Summary

I'm a dedicated Second-year undergraduate student pursuing a Bachelor of Science (Hons) in Computing and Information Systems at Sabaragamuwa University, Sri Lanka. I have a strong passion for technology and a burning desire to excel in the field of Information Technology.

I envision a future where I am at the forefront of the IT industry, driving innovation and solving complex challenges through technology. My goal is not just to follow the IT path but to lead and make a meaningful impact in this ever-evolving field.
